Step into comfort and style with this spacious 5-bedroom, 3-bath home offering just over 2,600 sq ft. A welcoming front porch sets the tone, while inside you'll find an open design filled with natural light. The kitchen is a cook's dream with a generous island that seats four, gas cooktop, built-in microwave and oven, and a classic white tile backsplash. The living area is anchored by a striking brick fireplace and wood mantel, perfect for cozy evenings. This home provides both a formal dining room with wood beam accents and a casual breakfast nook. The primary suite is large enough for a king bed plus furniture, and the spa-like bath features dual vanities, a soaking tub set in front of a walk-in shower, and a roomy walk-in closet. Other highlights include cubbies with hooks at the garage entry, laundry with a folding counter, a tankless water heater, and a walk-in attic for storage. Outdoors, the covered back patio offers a peaceful view of nature. Lewisburg school is just outside the neighborhood. Community activities, holiday events, and a pool covered by the HOA fee make this neighborhood truly special. With I-269 only a minute away, commuting throughout the Mid-South is a breeze.
